WIFI Made Easy & Affordable

The universal T855iSH connected thermostat works great for almost any application. Whether it is a multi-stage system, a light commercial building or simply a homeowner who wants auto changeover and a large display, the T855iSH is a great choice.

Stages* = 2 Stages For Conventional Heat & Cool

Scheduling Made Simple

Using a schedule saves time and money while keeping your home comfortable. However, in today's world many people do not fit into the conventional 5/1/1 routine. With the NEW Pro1 Connect app customizing your schedule is easier than ever before.
