

## Specifications

**Product** Furnace Mounting Block

**Application** Furnaces

**Purpose** Furnace Mounting Blocks raise the furnace over 1-1/2" off the ground for quiet, dry, long lasting operation.

**Advantages** The Furnace Mounting Block is an easy to install, inexpensive way to assure your furnace isn't damaged from water on the floor. These blocks offer noise reduction in the form of high density foam on top and rubber feet on the bottom. To aid in installation, the foam features adhesive for accurate placement on the bottom of the furnace.

**Load Capacity** 500 pounds

**Flashpoint** 650°F

**Part Weight** .2 lbs.
